

We all like to think we take pride in our appearance. We buy good clothes, making sure we dress ourselves well. We have our hair styled regularly. We try to keep as fit and healthy as we can....

But have you ever thought of how you look when you take your clothes off?

Have you removed your clothes looked down and thought "Things are getting a bit out of control".

Well, that's where Top & Bottom specialise in your personal grooming, offering many different body grooming and personal care services. Some of the grooming services offered are....

Waxing
Shaving
Clipping
Aromatherapy
